

Speaker Biography

Name: **Paul H. Genoa**

Title: **Senior Manager, State Programs**

Company: **Nuclear Energy Institute**

Mr. Genoa is the Senior Manager of State Programs at the Nuclear Energy Institute. His focus is on member relations and external affairs at the local, state and regional level. His technical and regulatory background makes him a valuable resource to policymakers on nuclear energy and environmental issues.

His professional career in the nuclear industry has spanned 22 years working as a Health Physicist on radiation protection and environmental issues at the Florida Power Corporation - *Crystal River Nuclear Plant*, the Arizona Public Service - *Palo Verde Nuclear Generation Station*, and at the Consumers Power - *Big Rock Point Atomic Plant*. He joined the Institute in March of 1995.

Mr. Genoa received his B.S. Degree in Environmental Health at Colorado State University's *School of Veterinary Medicine & Biomedical Sciences*. He received his M.B.A. from NOVA University's *School of Business and Entrepreneurship*.
