### Brief Biography

Dr. Kevin Reilly is Deputy Director for Prevention Services with the California Department of Health Services. He has been with the Department of Health Services since 1991 working in several positions in the field of infectious diseases. Dr. Reilly has a Doctorate of Veterinary Medicine degree and a Master of Preventive Veterinary Medicine degree from the University of California Davis. In his current position, Dr. Reilly oversees the Department's Public Health Programs including Chronic Disease and Injury Control; Communicable Diseases and HIV/AIDS, Environmental and Occupational Disease Control; Laboratory Sciences; Food, Drug and Radiation Safety; Drinking Water and Environmental Management; Clinical Preventive Medicine; and Binational Border Health. These programs include a workforce of approximately 3,000 and an annual budget in excess of \$1 billion.
