

## **Biographical sketch of KEVIN WILLIAMS**

Kevin Williams is a Team Leader for the US NRC Office of Nuclear Security and Incident Response, Division of Preparedness and Response. Kevin has over 22 years of extensive experience in nuclear power, in the area of Health Physics and Emergency Preparedness (EP). As the Team Leader for the Outreach Team, Kevin is responsible for conveying NRC messages, building relationships, and effectively communicating with all NRC stakeholders. As such, Kevin works with NRC HQ's and Regional staff, DHS, NGO's, and other stakeholders to ensure openness and effectiveness of NRC decisions. Prior to working for the US NRC, Kevin worked for the Duane Arnold Energy Center for over 17 years.
